Good Morning From Apple News

It's Friday, February 17. Here's what you need to know.

TOP STORIES

A Georgia grand jury investigating efforts by Trump to overturn the 2020 election believes some witnesses may have lied under oath, according to excerpts of its report.

Biden said the three airborne objects shot down over North America last weekend were likely operated by private companies and don't belong to China.

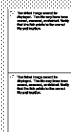

The head of the EPA visited the site of a February 3 train derailment that unleashed toxic chemicals in eastern Ohio, in an attempt to assure residents that the area is safe.

Pennsylvania senator John Fetterman, who suffered a major stroke last year, checked himself into a hospital to receive treatment for clinical depression.
